

Interested in coming to a Bucks game with your basketball team or school? Not only will you receive a significant discount on an NBA ticket, but you will also have the chance to take advantage of a great experience, such as:

- *Bucks camp staff holding a basketball clinic at your school.
- *Fundraising - earn significant money for the school by attending a Bucks game.
- *High Five Tunnel - a select group of people can high five the NBA players as they enter the court.
- *Small Fries - a long standing tradition in which youth basketball teams get a chance to play an 8-minute game on the Bradley Center court prior to the Bucks game.
- *Play Where the Pros Play - have access to the Bucks court at the practice facility to run a practice or scrimmage, play a game, or just shoot some hoops.

For any interest in these opportunities or other ones not listed, please contact John with the Bucks at 414-227-0594 or jhummitzsch@bucks.com.
